FOR IMMEDIATE RELEASE

Contact: Michael Hengemuhle

DULLES DISTRICT SUPERVISOR SNOW SUCCESSFULLY INCREASES THE SCOPE OF THE DULLES SOUTH MULTI-PURPOSE FACILITY.

Under the initiation of Supervisor Stephen J. Snow (R-Dulles), the Dulles South Multi-Purpose Facility will go to bond and will be built ahead of schedule with an expanded facility to serve the residents of southeastern Loudoun, located on proffered land in Dulles South.

Supervisor Snow received support from his fellow board members to expand Phase 1 from 9,000 sq. ft. facility to a 23,900 sq. ft. at a cost of \$9 million to include \$3.7 million to be used for Architecture and Engineering of the entire 83,000 sq. ft. facility to be expanded at a later time.

Supervisor Snow garnered the support necessary to pass the legislation at today's Board of Supervisor's Business Meeting to expand the Dulles South Multi-Purpose Facility after it failed to acquire a 2nd to his motion in the Finance/Government Services Committee. Supervisor Snow stated that he brought this item forward because of his support of the seniors and youth in his community and that the project is long overdue for Dulles South.
